Chinese - Native
English - Proficient (IELTS 7.0)

PROFILE

Applied mathematics and computational science student with a 3.82/4.00 GPA and two Dean's List semesters. Combines Python and Excel training with innovation-program operations, technology-event leadership, and bilingual stakeholder coordination.

SELECTED EXPERIENCE

DKU Computer Science Club

Treasurer & HackDKU 2026 Core Organizer | Mar 2026 - Present

- Manage budget planning, reimbursements, and financial records with project leads and the university finance office.
- Co-organized a week-long hackathon for 25+ teams across four tracks, coordinating milestones, sessions, presentations, awards, and on-site logistics.
- Build faculty, alumni, and industry relationships and authored English opening-session and event-recap materials.

DKU Co-Innovate x S-tron

Founder Circle & Tech Trek Organizer | Apr 2026

- Co-delivered an 18-person founder-student program covering site visits, participant communication, transportation, materials, and day-of execution.
- Designed bilingual discussion materials and managed a RMB 2,227.44 budget with itemized expense and reimbursement documentation.

DKU Innovation & Entrepreneurship (I&E)

Student Worker | Aug 2026 - Present

- Lead end-to-end operations for Fall 2026 Future17, managing student registration, resume screening, interview invitations, bilateral coordination, classroom booking, materials preparation, and final participant selection.
- Coordinate Co-Innovate program closeout, including roster verification, certificate production, and on-site execution to ensure accurate and timely completion.

Duke Kunshan University

Orientation Leader, First-Year Experience | Aug 2026

- Completed multi-day training in group facilitation, intercultural communication, student advising, and orientation logistics.
- Co-led a 27-student orientation group across a nine-day program, supporting domestic and international students in English and Chinese.
- Coordinated check-in, campus tours, campus-resource activities, and course-registration support; connected students with academic and campus services.
- Helped deliver Living in China 101 and built a Sustainability Day itinerary spanning a treasure hunt, green living station, community-farming tour, and show booth.

LEADERSHIP & ENGAGEMENT

Student Ambassador, Duke Kunshan University

Nov 2025 - Feb 2026

Represented DKU at high-school information sessions, presented academic and campus-life highlights, and answered prospective students' questions in real time.

Student Union Chairperson, Suzhou High School

Oct 2022 - Jun 2025

Led student governance, monthly feedback meetings, and school-wide sports events, ceremonies, and graduation; previously served as Debating Club Vice President.
